

Cirrus

Goes Great with Work.®

Cirrus executive seating

The **Cirrus** collection offers the ultimate in comfort and style. The dual knit mesh backs provide a passive lumbar support that literally hugs your back. Choose from stylish cantilevered chrome arms with black, decorative inlays or adjustable height and width arms. A 5-position swivel tilt-lock mechanism with tension adjustment is standard. The optional 6-position seat slider mechanism effectively extends the seat 2.5", ideal for those with longer legs. Braking casters ensure that the chair stays in place unless you are seated.

Choose from 3 standard or 6 custom knit colors combined with thousands of available upholsteries. Chrome, black or dual-tone chrome and black bases will fit the decor of any office or meeting room.
