Design speaks volumes

Great design translates into all languages and a multitude of **Accent** designs speak volumes. Graceful lines and contours are exercised in extra-thick solid wood frames. Choose Rouge Mahogany (RM) or Honey Cherry (HCY), complementing HPFI wood veneer casegoods. Generous proportions to accommodate today's guests. Seats have extra-thick 3" cushioning with flexible seat-centers for comfort. All chairs are available with optional casters. Caster option also available for use as a conference chair.

HiLEG

HiLeg is the synthesis of high-comfort reception/ lounge seating and wood-leg chair designs. Fully upholstered seats, backs and arms feature scale and materials for generous comfort. Choose from four distinct designs. Each includes chair, chair with casters, two-seat and three-seat models. All rest on a solid hardwood leg base available in any finish, standard or custom. Built as modular components, arms are upholstered separate from seat/back, allowing two-fabric combinations.

Architecturally-influenced, **Trados** features solid wood and a triarc arm design accenting an upholstered seat and back. Pronated back and flexible seat suspension provide comfort in applications from waiting areas to private offices. Separated seat/back simplifies cleaning, especially important in public, healthcare and hospitality areas. Caster option also available for use as a conference chair.

Seat and back are easily replaced should they become damaged or soiled beyond normal cleaning.

Simply peel the hook and loop fastener on the bottom of the back to reveal the hardware.
