## **HPFI® Publishes New GSA Catalog**

HPFI (High Point Furniture Industries) is pleased to announce that the latest edition of its full line catalog for the federal government has been published. The full color 88-page GSA Catalog features the complete offering of products available from HPFI. Included are their 18 veneer and laminate desk lines, meeting room furnishings, healthcare furnishings, reception, office and guest seating collections.

“This new book reflects the updated GSA contract information resulting from the recent contract consolidation efforts by GSA,” said Tom Carrigan, Director of Marketing for HPFI. “With the stimulus packages put into place by the new administration, this new GSA catalog is very timely,” said Mike Wissman, Vice President of Sales and Marketing. Wissman continued by saying, “This will greatly assist our efforts as we anticipate a continuation of the steady growth of supply to the federal government continue since we obtained our first HPFI contract.”

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
