HPFI® Introduces *Accompany Curve* Seating

(High Point, NC) HPFI (High Point Furniture Industries) is pleased to announce the latest addition to its ***Accompany*** line of reception / lounge seating. The ***Accompany*** series of modular reception seating was designed for economy of space while retaining comfort. Now with 60 degree loveseats and 30 degree chairs, you can design a lounge or waiting room for practically any facility. Mix ***Accompany Curve*** with ***Accompany*** Modular linear seating for an ever greater variety of options. As with the original, ***Accompany Curve*** is available in wood or metal legs to complement any decor.

Accompany Curve is available in all HPFI standard upholsteries. This includes a selection of over sixty (60) quick-ship fabrics, vinyls, Cryptons and leather in an industry-leading three day lead time. It is also available in thousands of standard fabrics, vinyls and leathers in three weeks or less. HPFI also welcomes the opportunity to upholster using the customers' own materials (COM.)

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
