HPFI® ANNOUNCES NEW REPRESENTATION

Team Nimmo suffered the loss of Pat Nimmo just prior to Christmas. Bob Nimmo has been working hard to recover and maintain the level of service that Team Nimmo provided. However, Bob has recently determined that it is in the best interest of his manufacturers and himself to dissolve Team Nimmo. Effective at the end of March 2010, Bob will close Team Nimmo as a rep group covering Alabama and the Florida Panhandle for HPFI.

All HPFI associates want to take this time to say thanks to Team Nimmo for the outstanding efforts and job that was done on behalf of HPFI. We wish Bob the very best in his future endeavors. He will remain in our thoughts and prayers.

As part of our continuing effort to better serve you and your customer, we are pleased to announce that MVK Group will be representing HPFI. Billy Curtright, (251) 753-0191 will be covering southern AL and the FL Panhandle while Jeremy Anderson, (205) 240-6400, will cover northern AL.

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
