HPFI Introduces *Cirrus* Executive Seating

(High Point, NC) HPFI (High Point Furniture Industries) is pleased to announce the latest addition to its executive seating offering. The ***Cirrus*** line is a collection of executive high back, management mid-back, guest and conference style seating. Each version features a unique knit mesh back with passive lumbar support providing optimum comfort. A 5-position locking, swivel-tilt mechanism is standard with knee tilt option available (except guest chair.) Independently adjustable arms feature a spring-loaded height adjustment plus width adjustment to fit almost any body size. Reverse braking casters are standard on either chrome or black 5-star base.

Cirrus is offered in three different knit colors on the back and seat trim. Seat upholsteries include a selection of quick-ship fabrics in an industry-leading three day lead time. It is also available in thousands of standard fabrics, vinyls and leathers in three weeks or less. HPFI also welcomes the opportunity to upholster using the customers' own materials (COM.)

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
