HPFI® Introduces Haley Comet Recliner

HPFI® (High Point Furniture Industries) is pleased to introduce the latest addition to its collection of Haley recliners for patient rooms and other healthcare applications, the ***Haley Comet***. The ***Haley Comet*** features a motor-assisted mechanism which offers a smooth recline and return with infinite stop positions. It is ideal for hospice and patient recovery when strength is at a minimum. Comfort and versatility have been incorporated into the **Haley Comet** recliner from the ground up. Recovery has never felt so good!

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
