HPFI® Introduces *Harmony* Sleeper Chair

(High Point, NC) HPFI (High Point Furniture Industries) is pleased to announce the latest addition to its ***Harmony*** line of convertible healthcare sleepers. The ***Harmony*** Sleeper Chair provides comfortable club chair seating ideal for any patient room and ample sleeping space by night. The clean lines fit with multiple room styles and decor. The seat easily extends from the back with an additional pop-up “ottoman” from underneath the seat. The back cushion flips down to provide a pillow/extended sleep surface.

As with all of the ***Harmony*** day beds and sleepers, the Sleeper Chair is available in all HPFI standard upholsteries. This includes a selection of over sixty (60) quick-ship fabrics, vinyls, Cryptons and leather in an industry-leading three day lead time. It is also available in thousands of standard fabrics, vinyls and leathers in three weeks or less. HPFI also welcomes the opportunity to upholster using the customers’ own materials (COM.)

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
