## **HPFI® Introduces *Milan* Bistro Tables & Seating**

(High Point, NC) HPFI (High Point Furniture Industries) is pleased to announce the introduction of the ***Milan*** collection of bistro tables and seating. The ***Milan*** collection features a mix and match group of table tops with sturdy disc bases in a conventional 29" table height or 42" café height. Choose from vacuformed tops with no seams ideal for use in high traffic, high spill areas. Thermally fused laminate tops to match all other HPFI table series are also available.

***Milan*** bistro seating is available in an 18" seat height for use with standard 29" high tables. Swivel and non-swivel café (32") height models are also offered. All models are available in three back designs and feature mahogany finish hardwood seats and backs on a black, textured steel frame. Each model can also be upholstered in the thousands of HPFI standard fabrics, vinyls and leathers in three weeks or less. HPFI also welcomes the opportunity to upholster using the customers' own materials (COM.)

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
