## **HPFI® Introduces *Stratus* Casegoods**

(High Point, NC) HPFI (High Point Furniture Industries) is pleased to announce the introduction of its ***Stratus*** line of casegoods. ***Stratus*** presents the latest in a high design, high-quality and high-value casegoods for your fast-paced business environment. Included are multiple options of desks and storage units which feature anodized aluminum columns. Select from stylish frosted, acrylic panels and doors or matching laminate.

The sleek, contemporary design of ***Stratus*** presents a whole new option of style. Coordinating aluminum column spacers give the desk, credenza and pedestals a “floating top” appearance without sacrificing durability. 1 1/8” thermally fused laminate tops in 11 standard finishes plus 4 standard drawer / door pulls will blend with almost any decor. Concave, bow-front desk tops and kidney-shaped bridges and tables provide plenty of work surface. They wrap around you for efficiency of space without the feeling of confinement.

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
