### HPFI® Introduces *Unos* Guest and Healthcare Seating

(High Point, NC) HPFI (High Point Furniture Industries) is pleased to announce the latest addition to its vast collection of guest/reception seating. The *Unos* series features the same variety of options available in the *Trados* and *Trados Metal* series. The wall-saver design, wood frames include steel cross braces providing a capacity of 350 lbs. per seat. *Unos* is available in eleven (11) standard wood finishes.

*Unos* is offered in several versions: arm chair, settee, patient chair, bariatric chairs, high back patient chair, benches and ganged chairs. A urethane arm cap is available on each model. Hook and loop fasteners on the back and a unique seat design enable easy field replacement.

*Unos* is available in hundreds of standard fabrics, vinyls and leathers in three weeks or less. Over 60 upholsteries are available in our Quick-Ship program in an industry leading three days! HPFI also welcomes the opportunity to upholster using the customers' own materials (COM.)

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
