HPFI® Web Site Enhanced for Upholsteries

HPFI® (High Point Furniture Industries) is pleased to announce that significant improvements to their web site for the selection of upholsteries and the ordering of memo samples. Thanks to a partnership with their major suppliers, a number of new services are now available on www.hpfi.com.

Mayer Fabrics, the primary supplier of upholsteries to HPFI, has made the upholsteries selection process much easier. From the [Design Tools / Upholsteries](#) page of the HPFI web site, you can click on the Mayer logo and be able to view and search all of Mayer's upholsteries in the HPFI Graded In program. You can choose different models of HPFI seating to see how they would appear in the selected upholsteries, then e-mail or save the image. Additionally, memo samples of the upholsteries can be ordered for immediate shipment. Memo samples of upholsteries from Momentum Group, Morbern and CF Stinson are also on the [Design Tools / Upholsteries](#) page of the HPFI web site.

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
