Scoop Traditional

blends period-influenced style with modern ergonomic principles. Each chair features a shaped shell with built-in lumbar support, flexible seat/back suspensions and high-quality cushioning formed with waterfall front seat edges providing long-term comfort and support. Standard pneumatic seat-height adjustment and tilt tension control individualize comfort. Traditional arm design and full seat/back tufting enhance the style.

Blending ergonomics and tradition

Body Form Shape features built-in lumbar support for long-term comfort whether sitting upright or reclining

Pneumatic Lift allows easy-operation seat-height adjustment. Standard on all swivel tilt chairs

Waterfall Front Seat Edges provide relaxed comfort, promoting proper circulation and reducing leg fatigue during extended work periods

Choose Your Arm Design!

Executive and management size chairs are offered with your choice of three arm styles:

- Fully Upholstered, Flared Design
- Platform Design with Padding & Individually-Placed Brass Nail Trim
- Fluted Wood Arm with Arm Pad

Complementary guest chairs with or without arm padding complete the Scoop Traditional family. All feature a limited lifetime warranty.
