HPFi[®] Unveils New Laminate and Finishes Palette

High Point, NC – HPFi (High Point Furniture Industries), a leading manufacturer of commercial grade furnishings for business, education and healthcare, is proud to announce the introduction of a new laminate and finishes palette. The new selections will be available beginning with orders placed June 1, 2023.

The new laminate and finishes collection, which has been carefully researched and selected by a team of design professionals, features a fresh array of colors, textures and patterns. The palette is guaranteed to enhance the appearance of the HPFi portfolio offering our business partners an appealing palette from which to select.

In addition to this palette refresh, HPFi has streamlined our highly successful Hyperwork and Hyperwork Education product lines. The update to our Hyperwork casegoods lines will greatly improve our operations and efficiency while maintaining our high standards of quality.

"We are thrilled to be introducing our new laminate and finishes palette, and enhancing our casegoods offering," said Doug Gaines, Vice President of Sales for HPFi. "This is an exciting time for us, and we are confident that our business associates and clients will appreciate the smart finish options and the superior quality of our product portfolio."

HPFi remains committed to delivering exceptional seating, casegood and table products to our valued business partners. With our new laminate and finishes palette on our product offering, we look forward to continuing to exceed their expectations for many years to come.

HPFi operates manufacturing facilities and a 4,100 sq. ft. showroom in High Point, North Carolina. With roots in High Point, the furniture capital of the world, HPFi combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
