## HPFi<sup>®</sup> Suspends NOW Accelerated Response Program

HPFi<sup>®</sup> (High Point Furniture Industries) is temporarily suspending the **NOW Accelerated Response** program effective with new orders placed beginning December 15, 2021.

Our marketplace continues to be challenged by the effects of the global pandemic. HPFi manufactures our products in High Point, NC using nearby business partners to source the majority of our materials. However, numerous raw materials are subject to the issues of the global supply chain.

“Our focus in the next few months is to maximize our efforts to reduce standard lead times”, stated Jerry Samet, President. “Although we are experiencing challenges with a number of supply chain issues, HPFi is committed to do all that we can to better service our business partners and their clients.”

HPFi operates manufacturing facilities and a 4,100 sq. ft. showroom in High Point, North Carolina. With roots in High Point, the furniture capital of the world, HPFi combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
