Company Information
High Point Furniture Industries (HPFi) has been a major provider of quality office furniture products since 1958. HPFi is a privately held “Woman-Owned Small Business” with manufacturing facilities in High Point, NC totaling over 400,000 sq. ft. providing capacity for almost any project size. Facilities are only one mile apart which simplifies project coordination. HPFi is also capable of handling small orders requiring quick fulfillment through the NOW Accelerated Response program. HPFi offers a broad range of office, lounge, conference and healthcare seating products along with laminate case goods. Located in High Point, North Carolina, HPFi is proud to say all products are made in the USA!

Specifications/Qualifications
HPFi ensures our customers with longevity as all products meet or exceed all applicable industry quality test standards established by ANSI (American National Standards Institute) / BIFMA (Business and Institutional Furniture Manufacturers Association). Detailed in our product brochures and Price Book listing are the available standard components, finishes and options. HPFi products are compliant to California Proposition 65 and Technical Bulletin 117-2013.

Environmental Statement
For more than 60 years, HPFi® (High Point Furniture Industries) has been building furniture in the United States with respect to our environment and our community. As a world-class manufacturing operation, we strive to reduce and eliminate impact on our environment. All products conform to EPA TSCA Title VI regulations for formaldehyde emissions. For additional information and the most up to date details, visit http://www.hpfi.com/about_sustainability_overview.php.

24 Special attributes such as environmental attributes:
High Point Furniture Industries has been building furniture in the United States with respect to our environment and our community. As a world-class manufacturing operation, we strive to reduce and to eliminate impact on our environment. All products conform to EPA TSCA Title VI regulations for formaldehyde emissions. We recycle and reuse wherever possible. When viable and acceptable to our customers, we incorporate recycled and recyclable materials into our finished products. End-of-life opportunities for furniture is addressed through the Second Life program providing a solution for disposal of unneeded furniture when no other avenue is available. We work with local charitable and nonprofit organizations to help furniture find a Second Life. Additionally, our efforts involve social responsibility with HPFi associates as well as our business partners.

Defining Space for Gathering and Learning

Designing for collaborative spaces means incorporating product that promotes activity. HPFi products allow various work styles to coexist. Within open spaces, Eve products blend with Flex Tiered lounge seating to provide a variety of settings that support conversation, writing, learning and easy access to power/charging ports.
Need a place to read, meet and respond to emails? HPFi has that. Durable laminate tables for break rooms, training and dining areas as well as tables that blend traditional materials are all part of the HPFi product offering. Contemporary table styles combining steel, chrome and glass, coordinate with our lounge seating product lines. Modern office, conference and lobby tables with durable laminate tops are great additions to fast-paced work environments.

For Anywhere You Work
HPFi offers guest, lounge and office seating solutions for your entire facility: reception areas, lounges, waiting rooms, cafeterias, open plan team areas, lobbies and training rooms. Fully upholstered chairs, settees and sofas are constructed from solid hardwood frames in classic and contemporary styles. Office seating models are available with swivel and sled bases, 4-leg designs, ottomans and stools. Multiple wood finishes and a large selection of graded-in HPFi upholsteries allow hundreds of choices for your furniture.
Defining Comfortable, Accommodating Work Environments

HPFi offers an extensive collection of office, conference and reception solutions in contemporary, traditional and transitional styling. American craftsmen produce furniture that’s as comfortable as it is beautiful. Finely crafted casegoods configure to accommodate varying office designs and individual preferences with hundreds of modular components for all areas of your work environment.
