Vitality

Casegoods

With an extensive selection of full and 3/4 pedestal units, **Vitality** addresses all areas and levels of an organization with one collection of finely crafted casegoods. Tops are high-gloss, high pressure laminate for executive level perception and front-line performance. Solid wood edges are shaped and finished for a handcrafted appearance.

Writing slides conveniently extend work area when required. Standard on full pedestal desks.

Bridge and returns feature reverse coped edges for a smooth work surface connection and common grain direction with desks and credenzas.

Wire management grommets located at surface height for easy routing of phone/data/electrical wires.

Legal and letter filing front-to-back or side-to-side standard on full pedestal units. All file drawers feature filing hardware, single key locking and heavy-duty, full extension slides.
